

Outpatient Physical Therapy at Shore Memorial Hospital

At the Shore Memorial Hospital Advanced Spine & Orthopedic Institute, our physical therapists have a combined 70 years of experience with all diagnoses. We take pride in returning patients to their maximum level of independent function and work alongside our physicians to offer the best care in the region.

Our Commitment:

- All patients will be scheduled for an evaluation within 24 hours of contact and will be treated by NJ licensed physical therapists and physical therapist assistants.
- We will provide the most up-to-date and comprehensive program in the region.
- Our patients will be treated as individuals with specific needs and goals.
