

Shailja Roy, M.D.

Shailja Roy, M.D. is board certified in Internal medicine, Medical Oncology, and Hematology. Dr. Roy completed three-year residency in internal medicine at Westchester Medical Center, New York where she became increasingly interested in working with cancer patients. She was recognized as the intern of the year 2000-2001.

She completed postdoctoral fellowship in Hematology and Medical Oncology at prestigious Yale University Cancer Center in Connecticut. She is dedicated to provide the most up-to-date and evidence-based cancer care. Her goal is to provide world-class medicine to patients close to home.

She sits on the Professional Practice Evaluation Committee and Continuing Medical Education Committee (CME) at Inspira Health Network. Dr. Roy strives to give cancer patients the reassurance and support they need in difficult times during treatment. Dr Roy has been recognized on multiple occasions by Castle Connolly as one of the regional Top doctors.

Dr. Roy is also very devoted to her family and likes to spend her spare time with her husband and three sons. She also loves gardening, painting and dancing.
